Dear Sir:

In this letter, I would like to express my interest to become a tutor in GSTS-MU summer Tutoring/Mentoring Program. I am confident that my qualification and capabilities will fulfill the requirement.

Now I am studying BSc. in Computer Science and Engineering at Mekelle Institute of Technology /Mekelle University .I am studying mathematics, computer science and ICT related courses that will be given to the participant students in the GSTS-MU Summer Tutoring/Mentoring Program. I have participated in such programs on my community in last years. So I have good experience, knowledge and result at these courses. Thus with my experience, skill & knowledge that I got throughout my educational life, I can teach/help to the participant student of GSTS-MU summer tutoring /mentoring program in any of the above subjects as much as possible.

I have big interest to help and share my experience with student participating in GSTS-MU summer tutoring /mentoring program that I collected throughout my educational life. I am ready to teach any of above subject in the way the student can understand easily. I will work hard to improve their knowledge, and share some techniques with them in the way how they should study to become an effective in the national exam and how they can be a competent in science and technology.

So, I am interested to be part of the tutors at this summer program and I have decided to actively participate in GSTS-MU summer tutoring /mentoring program. Not only do I teach and share my experience to/with student but also, I will develop my relationship with student and GSTS-MU stuff/professionals, enabling me for further personal and professional development prospects, and can hopefully teach me value that I will carry with me for life.

Lastly, I appreciate you considering my application and I would be honored to be as tutor in GSTSMU summer tutoring /mentoring program of your Program, I look forward to your positive response. Your sincerely,

Goitom Negash Meles.
